

Field Superintendent/Foreman/Carpenter

Job Description

New Star General Contractors is looking for full-time Field Superintendents, Foremen, and Carpenters to join our team. We are looking for individuals who are ambitious, reliable, passionate, with a can-do attitude. The successful candidates will be team players with a strong work ethic and an uncompromising eye for quality. If you have these qualities, we want to meet you.

Responsibilities

- Oversee all job site activities, including safety, schedule, logistics, and quality
- Present project status reports, verbally and in writing, in meetings, and interfaces with project stakeholders.
- Be a student of the construction industry. Keep up to date with best practices and procedures
- Coordinate and direct all work done on the job site, including working closely with subcontractors and vendors
- Work with project team members through the entire project, from pre-construction to completion.
- Ensure efficient use of materials and equipment
- Coordinate with city officials to request applicable inspections and communicate from the beginning of the project to the end.

Qualifications

- 7+ years of related experience. Commercial and multi-family experience preferred.
- Possess strong computer skills: proficient in MS Excel, MS Word, MS Outlook, Procore, Microsoft Project, etc
- Understand construction scheduling and sequencing, and cost control.
- Strong leadership skills, able to lead and manage teams.
- Ability to communicate effectively and professionally with project team, customers, subcontractors, vendors, inspectors, and employees.
- Attention to detail is paramount; extremely organized and able to prioritize
- Knowledge of, and ability to demonstrate, established construction practices, procedures, and techniques
- Ability to understand blueprints, plans specifications, safety standards, shop drawings, work orders, budget, change orders, submittals, manufacturer's literature, and specifications.
- Thorough understanding of applicable local, state, and federal building codes.
- Ability to maintain confidentiality and professionalism in the workplace.
- Problem solver mentality

If you are interested in joining our team, please email your resume to alicia@newstargc.com.
